

# Lambda Chi Alpha

## Hello parents!

Welcome to the very first issue of the Lambda Chi Alpha Parent's Newsletter! The main goal of this newsletter is to keep the parents of our chapter involved and informed of the many events, festivities, and members of our amazing chapter. This issue includes the recognition of the many brothers who earned internships with many companies all across the country, introduces the newly elected High Zeta, gives some updates on new member recruitment for this next school year, and also thanks many individuals for giving their time and help to the chapter.

Once again, welcome! We hope this newsletter gives you more information on the incredible brotherhood your son has joined.

# Successful Summers

These Brothers of our chapter have earned incredible opportunities to work all across the country in their respective internships this summer. Companies such as FedEx, NBC, ExxonMobil, Trane, and many others received top of the line, qualified, and hardworking men to be a part of these companies.

# New Additions

After two very successful summer and fall rush periods, our chapter, along with our two incredible rush chairs, John Michael Sanders and Ben Crumby, broke a chapter record by bringing in 56 Associate Members.

When asked about the new class of freshman, Vice President Nate Risley said, "This associate member class is a diverse group of personalities and talents that will one day be the best leaders on campus. I can't wait to get to work with them!"

Another very exciting addition to our chapter is our brand new food services, Brian Michaels Catering. The head chef making the delicious, high quality food, Ms. Aubrey, said, "This has been the best job ever, the boys are awesome. I've enjoyed my time here and cant wait what's in store for the next semester."

# Thank You

Our chapter has had a picture perfect start to this school year, but we could not have achieved anything close to the success we've had without the help of these individuals that we are proud to call family.

Thank you to **Misty Warren** and **Luanne Murdock**, for their help with the decorations for our Food and Suit Night during formal rush.

Along with their help, our brand new House Mother, **Momma J**, has established a Mom's Club to not only welcome all the new Mother's to our home, but also your suggestions on how we can make it better.

If interested, please contact **Judith White**, AKA, Momma J, at [judithwhite@yahoo.com](mailto:judithwhite@yahoo.com)

Thank you to **Lambdi Chi Alpha** and **Mississippi State Alumnus, Scott Baldwin**, for taking the time and speaking during formal rush. We are very thankful for Mr. Baldwin and all that he has done for our chapter.

Thank you to **Lambda Chi Alpha** and **Arkansas State Alumnus, Greg Smith**, for working alongside **Momma J** and our High Rho, **Brock Letson**, in our continued efforts to increase alumni outreach.
