Award Winning

Each year, Mississippi State holds the Ritter Awards, handing out various awards to the Greek life Community. Our Alumni Advisor, Mr. Greg Smith, won the Advisor of the Year award. Despite his battle through a leukemia diagnosis and going through chemotherapy, he is still committed to helping our chapter become a better place. No words can describe how thankful we are for him and how deserving he is of this award.

Lambda Chi Alpha Updates

Baseball season kicked off on February 18 against Long beach State, in which the series ended with Long beach state winning two of the 3 games. This past weekend, The Bulldogs lost the first game of the series against Northern Kentucky. However, they came back strong winning 10-1 on Saturday and 7-2 on Sunday.

With our excitement for the Baseball season the Chapter would like to send an invitation to a parent's day on March Twenty Sixth during the second game of the series against The University of Alabama.

Stayed tuned for more information about the weekend.

The new Officer Corps for 2022 continue to improve our chapter by expanding our operations by increasing our charitable actions, alumni network, and overall GPA, and overall active participation.

Our Champions of the intermural are attempting for a repeat year, winning the Softball Championship within the Greek Intermural League. We are wishing them the best of luck!

Congratulations to Fall Associate Class of 2021.

During the first week back of this semester the second round of initiations for the associate members in fall class finished. The first round occurred near the end of the fall semester.
